

Amendment to TCE-Health IT RFA
TI-11-002

A requirement was inadvertently left out of the RFA. In Section V following Section H: Biographical Sketches and Job Descriptions, applicants MUST include the following in their applications:

Section I: Confidentiality and SAMHSA Participant Protection/Human Subjects: You must describe procedures relating to Confidentiality, Participant Protection and the Protection of Human Subjects Regulations in Section I of your application. See Appendix J for guidelines on these requirements.
