Foster Care or Therapeutic Foster Care Home	*	*	*	*	*	*	*	8	*	*

*Low precision; no estimate reported.

NOTE: Receipt of specialty mental health services for persons aged 12 to 17 is defined as having received treatment/counseling for emotional or behavioral problems not caused by drug or alcohol use.

NOTE: Respondents with unknown receipt of specialty mental health service information or unknown number of visits/stays were excluded.

^a Difference between estimate and 2010 estimate is statistically significant at the 0.05 level.

^b Difference between estimate and 2010 estimate is statistically significant at the 0.01 level.

¹ Respondents could indicate multiple service sources; thus, these response categories are not mutually exclusive.
