General Notes FY 2016

Arizona

URS Table Number	General Notes
All	In October 2016, AHCCCS fully implemented the use of ICD-10 diagnosis codes which has led to a more sophisticated level of specificity when identifying clients for the URS tables.
All	Effective October 1, 2015, there were contract changes with the Regional Behavioral Health Authorities implementing integrated health services into their contracts statewide, as well as new contractors as part of these contract changes, which may have led to an updated reporting capacity.
All	Effective October 1, 2015, another factor that may have attributed to differences in the URS tables is that dual (Medicare and Medicaid) eligible General Mental Health/Substance Abuse clients were transferred to the acute health plans for provision of both physical and behavioral health services and may have reduced the number of these clients in the tables.
5A	During this reporting period, AHCCCS also saw an increase in enrollment, Table 5A (Funding status), reflects the difference and may be due to clients seeking ACA qualified health plans, who were then directed to apply for Medicaid.
8	Effective July 1, 2016, the Arizona Department of Health Services/Department of Behavioral Health (ADHS/DBHS) merged with the Arizona Health Care Cost Containment System (AHCCCS), Arizona's Medicaid agency. In Table 8 (Total MHBG Expenditures for Non-Direct Services Activities), the reflected difference was attributed to a decrease in salary and fringe benefits as a result of the merger.
9, 11, 11A, 19A/19B	In October 2015, two of the Arizona Regional Behavioral Health Authorities (RBHAs) were transitioned to integrated contractors for all individuals. Also a slight realignment of the Geographical Service Area (GSA's) were made, reassigning those individuals in Gila County, formerly part of GSA-4 under Cenpatico Integrated Care (C-IC), to the newly formed Health Choice Integrated Care (HCIC) which replaced the Northern Arizona Regional Behavioral Health Authority (NARBHA). In doing so, HCIC is now the integrated RBHA for a total of six counties including: Apache, Coconino, Gila, Mohave, Navajo, and Yavapai. Cenpatico Integrated Care (C-IC), also a newly established integrated RBHA in southern Arizona, provides care to those individuals residing in the eight southern counties of Arizona including; Cochise, Greenlee, La Paz, Pima, Pinal, Yuma, Santa Cruz and Graham Counties. No changes were made to Mercy Maricopa Integrated Care (MMIC) during (FY) 2016. Due to these changes the Annual Consumer Satisfaction Survey was not conducted for SFY 2016. MMIC was not involved in the transition and conducted the survey internally.
