*Low precision; no estimate reported.

NOTE: Some 2010 estimates may differ from previously published estimates due to updates (see Section B.3 in Appendix B of the *Results from the 2011 National Survey on Drug Use and Health: National Findings*).

NOTE: Respondents were asked how many times they participated in a delinquent behavior in the past year and were categorized as having participated if they indicated taking part in the particular behavior at least one time. Respondents with unknown Delinquent Behavior data were excluded.

^a Difference between estimate and 2011 estimate is statistically significant at the 0.05 level.

^b Difference between estimate and 2011 estimate is statistically significant at the 0.01 level.
