\*Low precision; no estimate reported.

NOTE: Some 2010 estimates may differ from previously published estimates due to updates (see Section B.3 in Appendix B of the *Results from the 2011 National Survey on Drug Use and Health: National Findings*).

NOTE: Youths who did not report their school enrollment status or reported not being enrolled in school in the past 12 months, or reported that they were "home-schooled" in the past 12 months were excluded from this analysis.

NOTE: Response categories for the Substance Use in Grade Level questions include "All of them," "Most of them," "A few of them," and "None of them." The estimates in this table correspond to persons reporting "All of them" or "Most of them." Respondents with unknown Substance Use in Grade Level data were excluded.
