^a Difference between estimate and 2013 estimate is statistically significant at the 0.05 level.

^b Difference between estimate and 2013 estimate is statistically significant at the 0.01 level.

¹ For example, a store, restaurant, sports arena, bar, or club.

² For example, a parking lot, street, or park.

³ Medical Marijuana Dispensary/Club includes respondents who reported that they bought marijuana in some other place and specified that this other location was a medical marijuana dispensary or a marijuana club.

⁴ Some Other Place includes respondents who reported that they bought marijuana in some other place and specified a location other than a medical marijuana dispensary/club (e.g., private backyard, prison, hotel room) that did not correspond to an existing category. Examples of these other locations include private backyard, prison, and hotel room. Because of revisions to this category to remove Medical Marijuana Dispensary/Club in 2013, these estimates are not comparable with the estimates presented before the 2013 NSDUH.

⁵ Location Unspecified includes respondents with unknown, invalid, or nonspecific responses to the other-specify question (e.g., in a car, at a concert, or at a party where the specific locations were not provided).
