Note:
This table uses data from URS/DIG Table 14a, Table 14b and from the US Census Bureau. All denominators use US Census data from 2010

US totals are calculated uniquely for each data element based on only those states who reported clients served.
Regional groupings are based on SAMHSA's Block Grant Regions.

State Notes:

Table 14a

Age Table data is derived from the Maine Medicaid Service Encounter Information for SFY11. In SFY11, the State of Maine transitioned mid fiscal year to a new claims system requiring the utilization of 2 extracts of data to create this summary.

Note:

Admission Rate= number of admissions divided by total served during the year

US Admissions During Year uses data from states reporting data only. States are only included in "US Total Served" if they also reported data on admissions.

US Total Served During Year is calculated using data in URS/DIG Table 3.

This table uses data from URS/DIG Table3 and 6.

Maine

URS Table Number	General Notes
14A	Data provided in this table was derived from the Maine Medicaid Service Encounter Information for SFY11. In SFY11, the State of Maine transitioned mid fiscal year to a new claims system requiring the utilization of 2 extracts of data to create this summary. This is a change to the methodology used in past years reporting. Due to this change in methodology, comparative year-to year analysis using SFY11 claims data should not be made.
15	Data provided in this table was derived from the Enterprise Information System Resource Data Summary maintained by the DHHS Office of Adult Mental Health Services. DIG staffs are reviewing methodology consistencies and inconsistencies to explore possible changes in this data. In addition, DIG staffs will review data with DHHS Office of Adult Mental Health Services to explore policy/practice change that may be resulting in changes in data.
16	Therapeutic Foster Care data is obtained from data sources not consistent with the Medicaid Service Encounter data. SED data is obtained from the Maine Medicaid Service Encounter system. ID's in the therapeutic foster care database do not match with ID's in the Medicaid claims System
16	Total Number of consumers receiving supported housing services decreased from last year due to Data provided in this table was derived from the DHHS Office of Adult Mental Health Services housing database. DIG staffs are reviewing methodology consistencies and inconsistencies to explore possible changes in this data. In addition, DIG staff will review data with DHHS Office of Adult Mental Health Services to explore policy/practice change that may be resulting in changes in data.
17, 19a & 19b	Data not available.
