Maryland

URS Table Number	General Notes
4	Decrease in the total number of consumers not in labor force is due to the Administrations big push in the area of Supported Employment. The decreases in consumers employed and unemployed is due to Maryland has a highly successful supported employment program.
5A	Decrease in the total number for consumers with both Medicaid and non-Medicaid funding is due to administration push to lessen Non-Medicaid eligible individuals and converting to PAC Medicaid funding.
6	Decrease in the average LOS of children (in facility for < 1 year) who were state hospital residents at the end of the year is due to Children Waiver initiative which lessens the time spent in state psychiatric facilities.
10	Some of the amount in Adults with Serious Mental Illness section include monies for programs that support both children/adults.
12	The increase in percent of adults served by the SMHA with co-occurring MH/SA diagnoses is due to in prior years an individual's substance abuse diagnosis was being under represented to prevent any possible denied payment to a claim.
15	Decrease in consumers living in Private Residence, consumers in Jail/Correctional Facility and consumers Homeless/Shelter are due to this year we changed the logic of how to pick up the living situation. It is now based on time of discharge or end of reporting period as opposed at time of admission.
