New Jersey

URS Table Number	General Notes
9	For Social Connectedness, of the 1,129 survey responses collected and scanned, 23 respondents did not fill out 2 or more questions related to the social connectedness domain. They were excluded from this dataset. For Functioning, of the 1,129 survey responses collected and scanned, 26 respondents did not fill out 2 or more questions related to the social connectedness domain. They were excluded from this dataset.
11	For Access, of the 1,129 survey responses collected and scanned, 15 respondents did not fill out 3 or more questions related to the 6-question Access domain. They were excluded from this dataset. For Quality & Appropriateness, of the 1,129 survey responses collected and scanned, 30 respondents did not fill out 4 or more questions related to the 9-question Quality & Appropriateness domain. They were excluded from this dataset. For the Outcomes domain, of the 1,129 survey responses collected and scanned, 25 respondents did not fill out 3 or more questions related to the 7-question Outcomes domain. They were excluded from this dataset. For the Participation in Treatment Planning domain, of the 1,129 survey responses collected and scanned, 88 respondents did not fill out 1 or more questions related to the 2-question Participation in Treatment Planning domain. They were excluded from this dataset. For the General Satisfaction domain, of the 1,129 survey responses collected and scanned, 27 respondents did not fill out 2 or more questions related to the 3-question domain. They were excluded from this dataset.
19A	For the adult criminal justice data (using MHSIP Adult Survey questions), many respondents mistakenly responded to both sets of questions targeted for: 1: Consumers receiving MH services for < 1 year, and 2. Consumers receiving MH services for > 1 year. To eliminate the distortion caused by such ambiguous data, Table 19a was populated with data coming exclusively from those questionnaires where the questions were appropriately answered and appropriately skipped.
