General Notes FY 2012

Northern Mariana Islands

URS Table Number	General Notes
2, 3, 4, 5, 6	Due to extraordinary fiscal challenges faced by the CNMI government, most of the locally funded workforce for the Community Guidance Center was reassigned to other posts to alleviate the current fiscal conditions. This has in turn resulted in less consumers being served in FY2012 than in did in FY2011. In FY2012, only 1 psychiatrist, 1 mental health counselor, 1 VOCA counselor, 3 social workers, 2 substance abuse interns, and 1 substance abuse admin were available to provide services to consumers.
9, 11, 11a, 19a, 19b	The SMHA will not be submitting the Consumer Survey data for Children and Adults for FY 2012. Due to extraordinary fiscal challenges faced in this fiscal year, and with the effort to streamline programs and services, staffs were reassigned to other posts which provided for other duties and responsibilities. In addition, in FY 2012, the SMHA produce its highest staff turnover rate, losing all its in-house service providers for Mental Health care needs.
