19A	All adult client survey respondents were asked the same questions about their arrest history: "Were you arrested in the 12 months before starting treatment?" and "Were you arrested in the 12 months after starting treatment?"
19A	The adult survey did not include the question about police encounters.
19A	All YSS-F respondents were asked the same questions about their child's arrest history: "Was your child arrested in the 12 months before s/he began seeing his or her current provider?" and "Was your child arrested in the 12 months after he or she started treatment with this provider?"
19B	All YSS-F respondents were asked the same questions about school suspensions and expulsions: "Was your child suspended from school during the 12 months before he or she began seeing this provider?", "Was your child suspended from school in the first 12 months (or less) after he or she began seeing this provider?", "Was your child expelled from school during the 12 months before he or she began seeing this provider?", "Was your child expelled from school in the first 12 months (or less) after he or she began seeing this provider?"
