Washington

URS Table Number	General Notes
5a	Due to State budget cuts, funding for non-Medicaid clients has been significantly reduced. As a result, the number of clients served in the "non-Medicaid" and "both Medicaid and Non-Medicaid" categories has declined since last year.
6	Due to State budget cuts, limited funding to RSNs for Community Hospital resulted in a decline in the number of admissions to Community Hospitals relative to last year.
16, 17	Washington State didn't conduct EBP survey in 2012, due to the changes and requirement of legislatures. We are in the process to re-design the EBP survey that will be implemented soon.
