URS Table Number	General Notes
3	The decrease in the number of consumers served in State Psychiatric Hospitals from 2013 to 2014 is due to a longer length of stay for consumers leading to fewer consumers being served since the number of beds did not change.
4 & 4A	Change from 2013 to 2014 due to including employment status for all clients including Medicaid. Previous years only included adults receiving mental health rehabilitative services.
5A	The increase in consumers with both Medicaid and Non-Medicaid funding from 2013 to 2014 appears to be due to a different method for counting in 2013. In 2012 the figure was 17,477.
6	Increase in average LOS for adults and children in state hospitals at end of year and at discharge is probably due to serving clients with more acuity needing longer treatment.
6	Increase in total number of consumes served in Other Psychiatric Inpatient services at the beginning of the year in 2014 compared to 2013 appears to be due to a low count for 2013. The 2013 figure should have been 506 at the start of the year.
8	The difference between 2013 and 2014 is accounted in failure to include 2013 costs for Provider Training in Evidence-Based Practices, which has been a major focus of the SMHA in recent years. The 2013 amount of \$1,153,640 includes only Planning activities. We believe it will be important in the future to highlight provider training as a key mechanism of quality improvement.
9, 11	Decrease in the percentage of adults reporting positively about Functioning and adults reporting positively about outcome from 2013 to 2014 is due to a change in the instrument from a binary scale of 0/1 to a Likert scale with 5 points.
14A	Increase of Multi-racial client from 2013 to 2014 is probably due to the trend of increasing multi-racial families. While the percentage increase seems large, the number in the population is very small (about 2 % of population.)
14A	Diagnoses included in state SMI Definition: 291.2, 291.3, 292.82, 292.83, 292.84, 294, 294.1, 294.11, 294.8, 294.9, 295, 295.01, 295.02, 295.03, 295.04, 295.05, 295.1, 295.11, 295.12, 295.13, 295.14, 295.15, 295.2, 295.21, 295.22, 295.23, 295.24, 295.25, 295.3, 295.31, 295.32, 295.33, 295.34, 295.35, 295.4, 295.41, 295.42, 295.43, 295.44, 295.45, 295.5, 295.51, 295.52, 295.53, 295.54, 295.55, 295.6, 295.61, 295.62, 295.63, 295.64, 295.65, 295.7, 295.71, 295.72, 295.73, 295.74, 295.75, 295.8, 295.81, 295.82, 295.83, 295.84, 295.85, 295.9, 295.91, 295.92, 295.93, 295.94, 295.95, 296.02, 296.03, 296.04, 296.12, 296.13, 296.14, 296.22, 296.23, 296.24, 296.32, 296.33, 296.34, 296.42, 296.43, 296.44, 296.52, 296.53, 296.54, 296.62, 296.63, 296.64, 296.82, 297, 297.1, 297.2, 297.3, 297.8, 297.9, 298.9, 299, 299.01, 299.1, 299.11, 299.8, 299.81, 299.9, 299.91, 300.02, 301.7, 301.83, 307.1, 307.5, 307.51, 307.52, 307.53, 307.54, 307.59, 308, 308.1, 308.2, 308.3, 308.4, 308.9, 309.81, 310.1, 312.02, 312.03, 312.12, 312.13, 312.22, 312.23, 312.3, 312.31, 312.32, 312.33, 312.34, 312.35, 312.39, 312.4, 312.8, 312.81, 312.82, 312.89, 312.9, 313, 313.23, 313.81, 314, 314.01, 314.1, 314.2, 314.8, 314.9, 315.3, 315.31
15	Change from 2013 to 2014 is due to including measures on all public MH clients, including all Medicaid for 2014 while 2013 included only those adults receiving MH rehabilitative services.
16	For 2014 we used state estimate for children with SED based on state's internal definition which is listed on table.
16	Decrease in number of clients receiving supported housing service from 2013 to 2014 is due to funding shift for a number of projects from Mental Health to Minnesota Housing Agency, but projects no longer reported to State Mental Health Authority.
16	Increase in total number of adults with SMI may be due to more clients having diagnoses that fit the state's SMI operational definition due in part to expanded Medicaid coverage for single adults without children.
19A	Adult data for table was pulled from our CLD data which measures arrest data for the 30 days preceding client status update. Currently exploring to pull arrest data from State criminal justice agency for next year's URS.
