General Notes FY 2014

Mississippi

URS Table Number	General Notes
5A	The difference of completing the tables using our client level database as opposed to allowing providers to self-report accounts for the decreases in total number of consumers with Non- Medicaid Funding only and total number of consumers with both Medicaid and Non-Medicaid Funding.
6, 14A	The difference of completing the tables using our client level database as opposed to allowing providers to self-report accounts for the increases and decreases in reported data between 2013 and 2014.
15	The decrease in total number of consumers in Jail/Correctional Facility and total number of consumers Homeless/Shelter are related to the voluntary access to treatment through the Crisis Stabilization Units. They do not have to be committed to receive treatment there.
