What populations are reported? All Clients Number of States Reporting All Clients: 43 Number of States Reporting Some Clients: 13

When is Employment Status Measured?	At Admission	At Discharge	Monthly	Quarterly	Other
AZ	Yes	Yes	-	-	Annually
US	43	28	4	5	28

Note:

*In Labor Force is the sum of consumers employed and unemployed.

**With Known Employment Status is the sum of consumer employed, unemployed and not in labor force.

Consumers employed as a % of those in labor force uses adults employed and unemployed as the denominator.

Consumers employed as % of known employment status uses the sum of persons employed, unemployed and not in labor force as the denominator.

This table uses data from URS Table 4.

State Notes:

Age Age is defined as the age at the end of the enrollment period (6/30/2017)

Gender All records have valid values for gender.

Overall Employment Status for Volunteer, Unpaid Rehabilitation activities, Homemaker, Student, Retired, and Inmate of Institution are counted as "Not in Labor Force". See General Notes.

Arizona

URS Table Number	General Notes
4, 5A & 6	The agency made major updates to behavioral health demographic database (June 2016) to allow for not only more data to be accepted, but more current data, which lead to differences in this table.
7A	Arizona is unable to report expenditures in these categories from the Statewide Accounting System. The total expenditures for First Episode Psychosis (FEP) in State Fiscal Year is \$344,063.25 from the Mental Health Block Grant. Arizona does not utilize other funding for FEP.
8	Arizona expended \$346,735 in MHBG administrative expenses in SFY2017. Arizona does not track administrative expenditures in its Statewide Accounting System in the categories noted above.
9SC, 11, 11A, 19A, 19B	Effective July 1, 2016 the Arizona Department of Health Services/Division of Behavioral Health Services (ADHS/DBHS) merged with the state Medicaid agency (Arizona Health Care Cost Containment System-AHCCCS) as a result of the state's administrative simplification. As part of this process, AHCCCS reviewed all ADHS/DBHS deliverables, including the Member Satisfaction Survey, to understand data methodologies and streamline data sources. AHCCCS is currently working on determining the best method to collect this data from our members.
10	This table is reported on a cash basis for State Fiscal Year 2017. The negative adjustment (reflects funds returned during that period for the FEP program)
12	There is a reduction from last year; this is due to new method of strictly identifying members with a Substance Use Disorder (SUD) by using SUD diagnosis codes.
