General Notes FY 2017

Utah

URS Table Number	General Notes
5a	The increases in one year change data is due increased client counts.
8	The increase in Total Non-Direct Services from last year is due to the category change from five service categories on the FY16 table to seven activities on FY17 table.
15	There was an increased effort in capture data and a greater focus on justice involved clients in FY17.
16	Supported housing and supported employment has had an increased effort to collect these data. The other figure differences are just service variations across years.
17	The one year change in data are just variations in services across years.
