CAI Instrument Revisions

General CAI Issues

• Updated all interviewer notes to follow the current CAI convention that text in ALL CAPS should not be read to a respondent.

• Interviewer instructions throughout the interview have been revised from HAND R SHOWCARD to DISPLAY SHOWCARD as an enhanced COVID-19 safety procedure.

Introduction

• Page 1: CAI version number and expiration date will be updated.

Beginning ACASI Section

• Pages 13-14: IntroAcasi1 through HeadPhone has been revised so that instructions on how to use the computer and interview program are administered by the computer, not the interviewer. This is an enhanced COVID-19 safety procedure.

Pain Relievers Main Module

• Pages 232-233, and 239: Edited the definitions of PRJANFLAG1, PRDECFLAG1, PR1MTHFLAG1, PRJANFLAG2, PRDECFLAG2, and PR1MTHFLAG2 in the specifications only to better represent existing CAI program functions.

• Pages 232 and 239: Updated the logic in PRY01d and PRY02d due to edited definitions earlier in this module.

Inhalants

INHINTRO These next questions are about liquids, sprays, and gases that people sniff or inhale to get high or to make them feel good.

We are not interested in times when you inhaled a substance accidentally — such as when painting, cleaning an oven, or filling a car with gasoline. The questions use the word ‘inhalant’ to include all the things listed below, as well as any other substances that people sniff or inhale for kicks or to get high. Take a moment to look at the substances listed below so you know what kinds of liquids, sprays, and gases these questions are about.

- Amyl nitrite, ‘poppers,’ locker room odorizers, or ‘rush’
- Correction fluid, degreaser, or cleaning fluid
- Gasoline or lighter fluid
- Glue, shoe polish, or toluene
- Halothane, ether, or other anesthetics
- Lacquer thinner, or other paint solvents
- Lighter gases, such as butane or propane
- Nitrous oxide or ‘whippits’
- Felt-tip pens, felt-tip markers, or magic markers
- Spray paints
- Computer keyboard cleaner, also known as air duster
- Other aerosol sprays
