\* Reported under Hispanic Ethnicity.

**Note:**  
This table uses data from URS Table 14a, Table 14b and from the US Census Bureau. All denominators use US Census data from 2018

US totals are calculated uniquely for each data element based on only those states who reported clients served.

Regional groupings are based on SAMHSA's Block Grant Regions.

Mississippi

URS Table Number	General Notes
2A/B, 6, 14A/B	DMH is in the process of developing a new data collection warehouse which will be utilized beginning in FY21. The agency is aware of data reporting issues with the current system referred to as the Central Data Repository (CDR). According to the FY19 Data Survey completed by the community providers, a total of 63,205 unduplicated adults with SMI and 37,962 children and youth with a SED received services. The total for all ages is 101,167.
3	DMH is in the process of developing a new data collection warehouse which will be utilized beginning in FY21. The agency is aware of data reporting issues with the current system referred to as the Central Data Repository (CDR). According to the FY19 Data Survey completed by the community providers, a total of 63,205 unduplicated adults with SMI and 37,962 children and youth with a SED received services through the Community Mental Health Centers. The total for all ages is 101,167. A total of 2,539 people were served at the state psychiatric hospitals.
4/4A, 5A/B, 15 17, 19A/B	DMH is in the process of developing a new data collection warehouse which will be utilized beginning in FY21. The agency is aware of data reporting issues with the current system referred to as the Central Data Repository (CDR).
7	Other 24-Hour Care (State and Other) was not traditionally reported with Specialized Treatment Facility (PRTF) or Crisis Centers, but should have been. These amounts were in the report but were included in the State Hospital and Ambulatory/Community Non-24-Hour Care expenditures, respectively. Other Federal Funds include an estimate for Medicare (not readily available) of \$4M. Based on revenue is an estimate for Medicaid funding on the Ambulatory/Community Non-24-Hour Care expenditures (MCO included). Administrative costs were booked and drawn down after the close of budget period 2019, which is likely to result in doubling up in SFY20 under the reporting frames. The decrease in the Ambulatory/Community Non-24-Hour Care under Medicaid is the continued shift from Medicaid to Medicaid Managed Care. Other funds were not included in the reporting on the Administration line, but should have been. They have been proportioned based on subrecipient grants to MH.
16	DMH is in the process of developing a new data collection warehouse which will be utilized beginning in FY21. The agency is aware of data reporting issues with the current system referred to as the Central Data Repository (CDR). According to the FY19 Data Survey completed by the community providers, a total of 500 people received Assertive Community Treatment; 245 received Supported Employment; and 308 received Supported Housing through Mississippi's CHOICE housing program.
16A	CSC Training was held 12/3/2019 - 12/5/2019 for Region 8
16	DMH is in the process of developing a new data collection warehouse which will be utilized beginning in FY21. The agency is aware of data reporting issues with the current system referred to as the Central Data Repository (CDR). According to information submitted by Community Mental Health Centers, a total of 308 people received Supported Housing through the CHOICE program, 245 received Supported Employment, and 500 received Assertive Community Treatment.
20A	DMH feels that the current FY19 data reporting for the 180 day readmissions rate to State Hospitals is more accurate than reported in previous years. The 5% readmission rate reported in FY19 is due to more accurate reporting from the State Hospitals to DMH.
