16	<p>The reason for the significant increase in clients receiving Supported Employment services is that ODMHSAS has adopted the Individual Placement and Support (IPS) model of supported employment (an Evidence-based Practice) and have been widely implementing across our providers. We have seen great success with outcomes and project that the numbers served in Supported Employment will continue to grow.</p>
17	<p>The reason for the significant increase in clients receiving Integrated Dual Diagnosis Treatment services has been the result of the implementation of Certified Community Behavioral Health Clinics (CCBHC) and their focus on integrated care; and overall on-going and increased focus on holistic care.</p>
