Asian	*	*	*
Two or More Races	*	*	*
Hispanic or Latino	*	*	*
EMPLOYMENT STATUS			
Full-Time	129	*	*
Part-Time	*	*	*
Unemployed	*	*	*
Other ¹	230	*	*

* = low precision; -- = not available; da = does not apply; nc = not comparable due to methodological changes; nr = not reported due to measurement issues.

NOTE: Estimates in this table for 2020 exclude a subset of respondents who did not complete the questionnaire. The analysis weights and estimates were adjusted for the reduced sample size. See the *2020 National Survey on Drug Use and Health: Methodological Summary and Definitions* for details.

NOTE: Respondents with unknown information on their suicidal thoughts or behaviors because of the COVID-19 pandemic were excluded.

¹ Other Employment includes students, people keeping house or caring for children full time, retired or disabled people, or other people not in the labor force.

Definitions: Measures and terms are defined in Appendix A.
