for Funding Opportunity Announcement (FOA) No. SM-19-012
National Center of Excellence for Integrated Health Solutions (CIHS) Grant**

The Substance Abuse and Mental Health Services Administration (SAMHSA) is announcing a webinar for prospective applicants interested in applying for fiscal year 2019 Grant for the National Center of Excellence for Integrated Health Solutions (Short Title: CIHS), FOA No. SM-19-012. This will be led by SAMHSA's Center for Mental Health Services staff.

The purpose of the National Center of Excellence for Integrated Health Solutions (CIHS) is to advance the implementation of high quality, evidence-based treatment for individuals with co-occurring physical and mental health conditions, including substance use disorders. Data demonstrate that individuals with mental health conditions are far more likely to also experience physical health conditions. The co-occurrence of these conditions necessitates the delivery of holistic, integrated care. The goal of this grant is to ensure that these services are provided in the most effective manner possible.

The webinar will be held on **Friday, March 1, 2019** from 1:00 – 2:00 p.m. EST
