Announcement of Pre-Application Webinar for Notice of Funding Opportunity (NOFO) SM-22-016
FY 2022 Cooperative Agreements for Innovative Community Crisis Response Partnerships
Short Title: Community Crisis Response Partnerships

The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Mental Health Services (CMHS), is announcing a webinar for prospective applicants interested in applying for fiscal year 2022 Cooperative Agreements for Innovative Community Crisis Response Partnerships program (Short Title: Community Crisis Response Partnerships).

The purpose of this program is to create or enhance existing mobile crisis response teams to divert adults, children, and youth experiencing mental health crises from law enforcement in high need community(ies). This program recognizes a high-need community as a community where mobile crisis services are absent or inconsistent, where most mental health crises are responded to by first responders, and/or where first responders are not adequately trained or equipped to diffuse mental health crises. Award recipients will be expected to utilize SAMHSA's National Guidelines for Behavioral Health Crisis Care: Best Practice Toolkit as a guide for best practices in the delivery of mobile crisis services.

The webinar will be held on June 15, 2022 from 4 pm to 5 pm EST.
