Garrett Lee Smith (GLS) Campus Suicide Prevention Grant Program  
Short Title: GLS Campus**

The Substance Abuse and Mental Health Services Administration (SAMHSA) is announcing a webinar and conference call for prospective applicants interested in applying for fiscal year 2022 Garrett Lee Smith (GLS) Campus Suicide Prevention grants (Short title: GLS Campus), NOFO No. SM-22-004. The webinar and conference call will be led by SAMHSA Center for Mental Health Services staff.

The purpose of this program is to support a comprehensive public health and evidence-based approach that: (1) enhances mental health services for all college students, including those at risk for suicide, depression, serious mental illness (SMI)/serious emotional disturbances (SED), and/or substance use disorders that can lead to school failure; (2) prevents and reduces suicide, and mental and substance use disorders; (3) promotes help-seeking behavior; and (4) improves the identification and treatment of at-risk college students so they can successfully complete their studies. It is expected that this program will help to identify students who are at risk for suicide and suicide attempts, increase protective factors that promote mental health, reduce risk factors for suicide, and ultimately reduce suicides and suicide attempts.

The **webinar** will be held on **March 30, 2:00-3:30 p.m. EST**
