Fiscal Year 2023 Award Standard Terms

1. Acceptance of the Terms of an Award

By drawing or otherwise obtaining funds from the Health and Human Services (HHS) Payment Management System, the recipient acknowledges acceptance of the terms and conditions of the award and is obligated to perform in accordance with the requirements of the award. If the recipient cannot accept the terms, the recipient should notify the Grants Management Officer (GMO) within thirty (30) days of receipt of this award notice. Once an award is accepted by a recipient, the contents of the Notice of Award (NoA) are binding on the recipient unless and until modified by a revised NoA signed by the GMO.

Certification Statement: By drawing down funds, the recipient certifies that proper financial management controls and accounting systems, to include personnel policies and procedures, have been established to adequately administer Federal awards and funds drawn down. Recipients of Department of Health and Human Services’ (DHHS) grants or cooperative agreement awards must comply with all terms and condition of their awards, including: (a) terms and conditions included in the HHS Grants Policy Statement in effect at the time of a new, non-competing continuation, or renewal award, including the requirements of HHS grants administration regulations; (b) requirements of the authorizing statutes and implementing regulations for the program under which the award is funded; (c) applicable requirements or limitations in appropriations acts; and (d) any requirements specific to the particular award specified in program policy and guidance, the Notice of Funding Opportunity (NOFO), or the Notice of Award (NoA).

2. Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards

The NoA issued is subject to the administrative requirements, cost principles, and audit requirements that govern Federal monies associated with this award, as applicable, in the Uniform Guidance – 2 Code of Federal Regulations (CFR) § 200 as codified by HHS at 45 CFR § 75.

3. Award Expectations

The eligibility and program requirements originally outlined in the NOFO must continue to be adhered to as the funded project is implemented. Recipients must comply with the performance goals, milestones, outcomes, and performance data collection as reflected in the NOFO and related policy and guidance. Additional terms and/or conditions may be applied to this award if outstanding financial or programmatic compliance issues are identified by Substance Abuse and Mental Health Services Administration (SAMHSA).
4. Flow down of requirements to sub-recipient

The recipient, as the awardee organization, is legally and financially responsible for all aspects of this award including funds provided to sub-recipients, in accordance with 45 CFR § 75.351 – 75.352, Sub-recipient monitoring and management.

5. Future Spending

As indicated in the NoA, recommended future support reflects total costs (direct plus indirect). Funding is subject to the availability of Federal funds, satisfactory progress and continued funding is in the best interest of the Federal government.

6. Non-Supplant

Federal award funds must supplement, not replace (supplant) non-federal funds. All recipients who receive awards under programs that prohibit supplanting by law must ensure that federal funds do not supplant funds that have been budgeted for the same purpose through non-federal sources. Applicants or award recipients may be required to demonstrate and document that a reduction in non-federal resources occurred for reasons other than the receipt of expected receipt of federal funds.

7. Unallowable Costs

All costs incurred prior to the award issue date and costs not consistent with the funding opportunity, 45 CFR § 75, and the HHS Grants Policy Statement, are not allowable under this award.

8. Conflicts of Interest Policy

Consistent with 45 CFR § 75.112, recipients must establish written policies and procedures to prevent employees, consultants, and others (including family, business, or other ties) involved in grant-supported activities, from involvement in actual or perceived conflicts of interest. The policies and procedures must:

- address conditions under which outside activities, relationships, or financial interest are proper or improper;
- provide for advance disclosure of outside activities, relationships, or financial interest to a responsible organizational official;
- include a process for notification and review by the responsible official of potential or actual violations of the standards; and
- specify the nature of penalties that may be imposed for violations.
9. Administrative and National Policy Requirements

Public policy requirements are requirements with a broader national purpose than that of the Federal sponsoring program or award that an applicant/recipient must adhere to as a prerequisite to and/or condition of an award. Public policy requirements are established by statute, regulation, or Executive order. In some cases, they relate to general activities, such as preservation of the environment, while, in other cases they are integral to the purposes of the award-supported activities. An application funded with the release of federal funds through a grant award does not constitute or imply compliance with federal statute and regulations. Funded organizations are responsible for ensuring that their activities comply with all applicable federal regulations, refer to Part II of the HHS Grants Policy Statement.

10. Carryover - Expanded Authority for Unobligated Balances from One Budget Period to Any Subsequent Budget Period

Federal administrative requirements allow agencies to provide recipients with expanded authorities, which waive certain cost-related and administrative prior approvals under certain conditions.

Per 45 CFR § 75.308 (d)(3), SAMHSA has extended expanded authority to recipients requesting carryover of unobligated balances (UOB) up to 25% or less of the current budget period (year when the funds are needed) provided that recipients are not on drawdown restriction.

Recipients requesting a carryover greater than 25% of the current budget period award cannot exercise this expanded authority.

Recipients who exercise expanded authority may include an Intent to Carryover statement in the Remarks section (box 12) of the annual Federal Financial Report (FFR).

Expanded authority may be overridden by other special terms or conditions of the award. Recipients must carefully review the Notice of Award to determine if a particular authority is withheld for a specific award.

Recipients must exercise proper stewardship over Federal funds and ensure that costs charged to awards are allowable, allocable, reasonable, necessary, and consistently applied regardless of the source of funds.

11. Marijuana Restriction

SAMHSA grant funds may not be used to purchase, prescribe, or provide marijuana or treatment using marijuana. See, e.g., 45 CFR § 75.300(a) (requiring HHS to ensure that Federal funding is expended in full accordance with U.S. statutory and public policy requirements); 21 U.S.C. 812(c)(10) and 841 (prohibiting the possession, manufacture, sale, purchase or distribution of marijuana).

12. Prior Approval

SAMHSA anticipates that the recipient may need to modify the recipient's award budget or other aspects of its approved application during performance to accomplish the award's programmatic objectives. In general, recipients are allowed a certain degree of latitude to re-budget within and between budget categories to meet unanticipated needs and to make other types of post-award changes, provided that the changes still meet the statutory program requirements and the regulatory requirements under 45 CFR § 75, as applicable.

Items that require prior approval (i.e., formal written approval) from the GMO, as indicated in either 45 CFR § 75 or the HHS Grants Policy Statement, must be submitted in writing to the GMO. Based on the nature, extent, and timing of the request, the SAMHSA GMO may approve, deny, or request additional material to further document and evaluate your request.

Only an amended NoA signed by the GMO is considered valid. Verbal authorization is not approval and is not binding on SAMHSA. Recipients who proceed do so at their own risk.

Prior approval is required for but is not limited to: Changes in Key Personnel and Level of Effort, Budget Revisions, Changes in Scope, Carryover Requests (that fall outside the term for the Expanded Authority for Carryover), and No Cost Extensions. A summary of activities that require prior approval is listed in the HHS Grants Policy Statement under Exhibit 5, Page II-49.

SAMHSA instructions regarding requests for prior approval are available at: https://www.samhsa.gov/grants/grants-management/post-award-amendments

13. Executive Pay

The Consolidated Appropriations Act, 2023 (Public Law No: 117-328), signed into law on December 29, 2022, restricts the amount of direct salary to Executive Level II of the Federal Executive Pay scale. Effective January 1, 2023, the salary limitation for Executive Level II is $212,100.

For awards issued prior to this change, if adequate funds are available in active awards, and if the salary cap increase is consistent with the institutional base salary, recipients may re-budget
to accommodate the current Executive Level II salary level. However, no additional funds will be provided to these grant awards.

14. Promotional Items

SAMHSA grant funds may not be used for Promotional Items. Promotional items include but are not limited to clothing and commemorative items such as pens, mugs/cups, folders/folios, lanyards, and conference bags.

15. Universal Identifier and SAM Requirements

This award is subject to requirements as set forth in 2 CFR § 25 – Universal Identifier and System of Award Management (SAM) Requirements.

A. Requirement for System of Award Management

Unless you are exempted from this requirement under 2 CFR § 25.110, you, as the recipient, must maintain the currency of your information in the SAM, until you submit the final financial report required under this award or receive the final payment, whichever is later. C. Definitions.

For purposes of this award term:

1. System of Award Management (SAM) means the Federal repository into which an entity must provide information required for the conduct of business as a recipient.
Additional information on SAM registration procedures may be found at: https://www.sam.gov.

   - receives a subaward from you under this award; and
   - is accountable to you for the use of the Federal funds provided by the subaward.

16. Financial Accountability and Transparency Act (FFATA)

The Federal Funding Accountability and Transparency Act (FFATA) was signed on September 26, 2006. The FFATA Subaward Reporting System (FSRS) is the reporting tool federal prime awardees (i.e. prime contractors and prime grants recipients) must use to capture and report subaward and executive compensation data regarding their first-tier subawards to meet the FFATA reporting requirements.
Prime contract awardees must report against sub-contracts awarded. Prime grant awardees will report against sub-grants awarded. The sub-award information you enter in FSRS will display on USASpending.gov associated with the prime award.

17. SAM.gov Responsibility Qualification (R/Q) – Recipient Integrity and Performance

Reporting of Matters Related to Recipient Integrity and Performance

1. General Reporting Requirement

If the total value of your currently active grants, cooperative agreements, and procurement contracts from all Federal awarding agencies exceeds $10,000,000 for any period of time during the period of performance of this Federal award, then you as the recipient during that period of time must maintain the currency of information reported to the System for Award Management (SAM) that is made available in the designated integrity and performance system (formerly the Federal Awardee Performance and Integrity Information System (FAPIIS) now called Responsibility/Qualification (R/Q) on SAM.gov about civil, criminal, or administrative proceedings described in paragraph 2 of this award term and condition. This is a statutory requirement under section 872 of Public Law 110-417, as amended (41 U.S.C. 2313). As required by section 3010 of Public Law 111-212, all information posted in the designated integrity and performance system on or after April 15, 2011, except past performance reviews required for Federal procurement contracts, will be publicly available.

2. Proceedings About Which You Must Report

Submit the information required about each proceeding that:

- Is in connection with the award or performance of a grant, cooperative agreement, or procurement contract from the Federal Government;
- Reached its final disposition during the most recent five-year period; and
- If one of the following:
  - A criminal proceeding that resulted in a conviction, as defined in paragraph 5 of this award term and condition;
  - A civil proceeding that resulted in a finding of fault and liability and payment of a monetary fine, penalty, reimbursement, restitution, or damages of $5,000 or more;
  - An administrative proceeding, as defined in paragraph 5 of this award term and condition, that resulted in a finding of fault and liability and your payment of
either a monetary fine or penalty of $5,000 or more or reimbursement, restitution, or damages in excess of $100,000; or

- Any other criminal, civil, or administrative proceeding if:
  - It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;
  - It had a different disposition arrived at by consent or compromise with an acknowledgement of fault on your part; and
  - The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

3. Reporting Procedures

Enter in the SAM Entity Management area the information that SAM requires about each proceeding described in paragraph 2 of this award term and condition. You do not need to submit the information a second time under assistance awards that you received if you already provided the information through SAM because you were required to do so under Federal procurement contracts that you were awarded.

4. Reporting Frequency

During any period of time when you are subject to this requirement in paragraph 1 of this award term and condition, you must report proceedings information through SAM for the most recent five-year period, either to report new information about any proceeding(s) that you have not reported previously or affirm that there is no new information to report. Recipients that have Federal contract, grant, and cooperative agreement awards with a cumulative total value greater than $10,000,000 must disclose semiannually any information about the criminal, civil, and administrative proceedings.

Federal contract or grant. It does not include audits, site visits, corrective plans, or inspection of deliverables.

18. Acknowledgement of Federal Funding in communications and contracting

For each publication that results from HHS grant-supported activities, recipients must include an acknowledgment of grant support using one of the following statements:

“The project described was supported by Grant Number ________ from ________.”

Recipients also must include a disclaimer stating the following:

“Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the [SAMHSA].”

If the recipient plans to issue a press release concerning the outcome of HHS grant-supported activities, it should notify SAMHSA in advance to allow for coordination. One copy of each publication resulting from work performed under an HHS grant-supported project must accompany the annual or final progress report submitted to SAMHSA.

19. Acknowledgement of Federal Funding at Conferences and Meetings

A conference is defined as a meeting, retreat, seminar, symposium, workshop or event whose primary purpose is the dissemination of technical information beyond the non-Federal entity and is necessary and reasonable for successful performance under the Federal award.
Allowable conference costs paid by the non-Federal entity as a sponsor or host of the conference may include rental of facilities, speakers' fees, costs of meals and refreshments, local transportation, and other items incidental to such conferences unless further restricted by the terms and conditions of the Federal award. As needed, the costs of identifying, but not providing, locally available dependent-care resources are allowable. Conference hosts/sponsors must exercise discretion and judgment in ensuring that conference costs are appropriate, necessary and managed in a manner that minimizes costs to the Federal award. The HHS awarding agency may authorize exceptions where appropriate for programs including Indian tribes, children, and the elderly. See also 45 CFR §§75.438, 75.456, 75.474, and 75.475.

Disclaimer for Conference/Meeting/Seminar Materials: If a conference/meeting/seminar is funded by a grant, cooperative agreement, sub-grant and/or a contract, the recipient must include the following statement on conference materials, including promotional materials, agenda, and internet sites:

“Funding for this conference was made possible (in part) by SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services, nor does the mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.”

20. Rights in Data and Publications

As applicable, recipients agree to the requirements for intellectual property, rights in data, access to research data, publications, and sharing research tools, and intangible property and copyrights as described in 45 CFR § 75.322 and the HHS Grants Policy Statement.

Recipients may copyright any work that is subject to copyright and was developed, or for which ownership was acquired, under a Federal award. 21. Mandatory Disclosures

Consistent with 45 CFR § 75.113, applicants and recipients must disclose in a timely manner, in writing to the HHS Office of Inspector General (OIG), all information related to violations, or suspected violations, of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. Subrecipients must disclose, in a timely manner, in writing to the prime recipient (pass through entity) and the HHS OIG, all information related to violations, or suspected violations, of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. Disclosures must be sent in writing to the awarding agency and to the HHS OIG at the following addresses:
Failure to make required disclosures can result in any of the remedies described in 45 CFR § 75.371 – Remedies for noncompliance, including suspension or debarment (see 2 CFR §§ 180 & 376 and 31 U.S.C. 3321).

22. Lobbying Restrictions

Per 45 CFR §75.215, Recipients are subject to the restrictions on lobbying as set forth in 45 CFR § 93.

Lobbying with appropriated moneys, U.S. Code 18 § 1913 (2021), No part of the money appropriated by any enactment of Congress shall, in the absence of express authorization by Congress, be used directly or indirectly to pay for any personal service, advertisement, telegram, telephone, letter, printed or written matter, or other device, intended or designed to influence in any manner a Member of Congress, a jurisdiction, or an official of any government, to favor, adopt, or oppose, by vote or otherwise, any legislation, law, ratification, policy, or appropriation, whether before or after the introduction of any bill, measure, or resolution proposing such legislation, law, ratification, policy, or appropriation; but this shall not prevent officers or employees of the United States or of its departments or agencies from communicating to any such Member or official, at his/her request, or to Congress or such official, through the proper official channels, requests for any legislation, law, ratification, policy, or appropriations which they deem necessary for the efficient conduct of the public business, or from making any communication whose prohibition by this section might, in the opinion of the Attorney General, violate the Constitution or interfere with the conduct of foreign policy, counter-intelligence, intelligence, or national security activities.

Violations of this section shall constitute as a violation of section 1352 (a) of Title 31.

23. Drug-Free Workplace

The Drug-Free Workplace Act of 1988 (41 U.S.C. § 701 et seq.) requires that all organizations receiving grants from any Federal agency agree to maintain a drug-free workplace. You as the recipient must comply with drug-free workplace requirements in Subpart B (or Subpart C, if the recipient is an individual) of part 382, which adopts the Governmentwide implementation (2 CFR §182) of sec. 5152-5158 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701-707). By signing the application, the AOR agrees that the recipient will
provide a drug-free workplace and will comply with the requirement to notify SAMHSA if an employee is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for debarment. Government wide requirements for Drug-Free Workplace for Financial Assistance are found in 2 CFR § 182; HHS implementing regulations are set forth in 2 CFR § 382.400.

24. Civil Right Laws that prohibit discrimination

You must administer your project in compliance with federal civil rights laws that prohibit discrimination on the basis of race, color, national origin, disability, age and, in some circumstances, religion, conscience, and sex (including gender identity, sexual orientation, and pregnancy). This includes taking reasonable steps to provide meaningful access to persons with limited English proficiency and providing programs that are accessible to and usable by persons with disabilities. The HHS Office for Civil Rights provides guidance on complying with civil rights laws enforced by HHS. See https://www.hhs.gov/civil-rights/for-providers/provider-obligations/index.html and https://www.hhs.gov/civil-rights/for-individuals/nondiscrimination/index.html.

- You must take reasonable steps to ensure that your project provides meaningful access to persons with limited English proficiency. 25. Trafficking Victims Protection Act of 2000 (22 U.S.C. 7104(G)), as amended, and 2 CFR § 175

The Trafficking Victims Protection Act of 2000 authorizes termination of financial assistance provided to a private entity, without penalty to the Federal government, if the recipient or subrecipient engages in certain activities related to trafficking in persons. SAMHSA may unilaterally terminate this award, without penalty, if a private entity recipient, or a private entity subrecipient, or their employees:

- Engage in severe forms of trafficking in persons during the period of time that the award is in effect;
- Procure a commercial sex act during the period of time that the award is in effect; or,
- Use forced labor in the performance of the award or subawards under the award.

The text of the full award term is available at 2 CFR § 175.15(b).

26. Confidentiality of Alcohol and Drug Abuse Patient Records

The regulations (42 CFR § 2) are applicable to any information about alcohol and other drug abuse patients obtained by a "program" (42 CFR § 2.11), if the program is federally assisted in any manner (42 CFR § 2.12b). Accordingly, all project patient records are confidential and may be disclosed and used only in accordance with 42 CFR § 2. The recipient is responsible for assuring compliance with these regulations and principles, including responsibility for assuring the security and confidentiality of all electronically transmitted patient material.

27. Healthy People 2020

Healthy People 2020 is a national initiative led by HHS that set priorities for all SAMHSA programs. The initiative has two major goals: (1) increase the quality and years of a healthy life; and (2) eliminate our country's health disparities. The program consists of 28 focus areas and 467 objectives. SAMHSA has actively participated in the work groups of all the focus areas and is committed to the achievement of the Healthy People 2020 goals. Healthy People 2010 and the conceptual framework for the forthcoming Healthy People 2020 process can be found online at: http://www.healthypeople.gov/

Recipients of Federal financial assistance (FFA) from HHS must administer their programs in compliance with Federal civil rights law. This means that recipients of HHS funds must ensure equal access to their programs without regard to a person's race, color, national origin,
disability, age, and in some circumstances, sex and religion. This includes ensuring your programs are accessible to persons with limited English proficiency.

The HHS Office for Civil Rights also provides guidance on complying with civil rights laws enforced by HHS. Please see: 
http://www.hhs.gov/ocr/civilrights/understanding/section1557/index.html

Recipients of FFA also have specific legal obligations for serving qualified individuals with disabilities. Please see- 
http://www.hhs.gov/ocr/civilrights/understanding/disability/index.html. Please contact the HHS Office for Civil Rights for more information about obligations and prohibitions under Federal civil rights laws at https://www.hhs.gov/civil-rights/index.html or call 1-800-368-1019 or TDD 1-800-537-7697.

Also note that it is an HHS Departmental goal to ensure access to quality, culturally competent care, including long-term services and supports, for vulnerable populations. For further guidance on providing culturally and linguistically appropriate services, recipients should review the National Standards for Culturally and Linguistically Appropriate Services in Health and Health Care at https://minorityhealth.hhs.gov/omh/browse.aspx?lvl=1&lvlid=6.

29. Data Collection and Performance Measurement

All SAMHSA recipients are required to collect and report evaluation data to ensure the effectiveness and efficiency of its programs under the Government Performance and Results (GPRA) Modernization Act of 2010 (P.L. 102-62). Recipients must comply with the performance goals, milestones, and expected outcomes as reflected in the NOFO and are required to submit data via SAMHSA’s data-entry and reporting system.

Please contact your Government Program Official for additional submission information.

30. Legislative Mandates

Certain statutory provisions under P.L. 115-245, Department of Defense and Labor, Health and Human Services, and Education Appropriations Act, 2019, Division B, Title V, Title II, General Provisions limit the use of funds on SAMHSA grants, cooperative agreements, and contract awards. Such provisions are subject to change annually based on specific appropriation language that restricts the use of grant funds. The full text of P.L. 115-245 is available at https://www.congress.gov/bill/115th-congress/house-bill/6157/text?Format=txt.
31. Executive Order 13410: Promoting Quality and Efficient Health Care in Federal Government Administered or Sponsored Health Care Programs

This EO promotes efficient delivery of quality health care through the use of health information technology, transparency regarding health care quality and price, and incentives to promote the widespread adoption of health information technology and quality of care. Accordingly, all recipients that electronically exchange patient level health information to external entities where national standards exist must:

- Use recognized health information interoperability standards at the time of any HIT system update, acquisition, or implementation, in all relevant information technology systems supported, in whole or in part, through this agreement/contract. Please consult [www.healthit.gov](http://www.healthit.gov) for more information, and

- Use Electronic Health Record systems (EHRs) that are certified by agencies authorized by the Office of the National Coordinator for Health Information Technology (ONC), or that will be certified during the life of the grant.

32. Audits

Non-Federal recipients that expend $750,000 or more in federal awards during the recipient’s fiscal year must have a single or program-specific audit conducted for that year in accordance with the provisions of [45 CFR § 75.501](https://www.cfr.gov). Guidance on determining Federal awards expended is provided in [45 CFR §75.502](https://www.cfr.gov).

Recipients are responsible for submitting their Single Audit Reports and the Data Collections Forms (SF-FAC) electronically to the Federal Audit Clearinghouse visit disclaimer page (FAC) within the earlier of 30 days after receipt or nine months after the FY’s end of the audit period. The FAC operates on behalf of the OMB.

For specific questions and information concerning the submission process:

- Visit the Federal Audit Clearinghouse at [https://harvester.census.gov/facweb](https://harvester.census.gov/facweb)
- Call FAC at the toll-free number: (800) 253-0696

33. Ad Hoc Submissions

Throughout the project period, SAMHSA may determine that a grant requires submission of additional information beyond the standard deliverables. This information may include, but is not limited to, the following:

- Payroll
• Purchase orders
• Contract documentation
• Proof of project implementation

34. Submitting Responses to Conditions and Reporting Requirements

Unless otherwise identified in the special terms and conditions of award and post award requests, all responses to special terms and conditions of award and post award requests must be submitted through the eRA Commons system.

35. Risk Assessment

SAMHSA may perform an administrative review of your organization’s financial management system. If the review discloses material weaknesses or other financial management concerns, grant funding may be restricted in accordance with 45 CFR § 75/2 CFR § 200, as applicable. The restriction will affect your organization’s ability to withdraw funds from the Payment Management Services account, until the concerns are addressed.

36. 120-day Reconciliation and Liquidation Period

In accordance with 2 CFR § 200.344, recipients must liquidate all obligations incurred under an award not later than one hundred and twenty (120) days after the end of award’s obligation and expenditure period (i.e., the project period). After one hundred and twenty (120) days, letter of credit accounts are locked. SAMHSA does not approve extensions to the one hundred and twenty (120) day post-award reconciliation/liquidation period. Therefore, recipients are expected to complete all work and reporting within the approved project period and the aforementioned 120-day post-award reconciliation/liquidation period. Recipients (late) withdrawal requests occurring after the aforementioned periods will be denied.

37. Cancel Year

31 U.S.C. 1552(a) Procedure for Appropriation Accounts Available for Definite Periods states the following: On September 30th of the 5th fiscal year after the period of availability for obligation of a fixed appropriation account ends, the account shall be closed and any remaining balances (whether obligated or unobligated) in the account shall be canceled and thereafter shall not be available for obligation or expenditure for any purpose.

38. Termination

Termination (45 CFR § 75.372) applies to this award and states, in part, the following:

This award may be terminated in whole or in part:
• By the HHS awarding agency (SAMHSA) or pass-through entity, if a non-Federal entity fails to comply with the terms and conditions of a Federal award;

• By the HHS awarding agency (SAMHSA) or pass-through entity for cause;

• By the HHS awarding agency (SAMHSA) or pass-through entity with the consent of the non-Federal entity, in which case the two parties must agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated;

• By the non-Federal entity upon sending to the HHS awarding agency or pass-through entity written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated.
