

**Announcement of Pre-Application Webinar for Notice of  
Funding Opportunity (NOFO) No. SM-22-006  
Infant and Early Childhood Mental Health Grant Program  
Short Title: IECMH**

The Substance Abuse and Mental Health Services Administration (SAMHSA) is announcing a webinar for prospective applicants interested in applying for fiscal year 2022 Infant and Early Childhood Mental Health Grant Program (Short Title: IECMH), NOFO SM-22-006. The webinar will be led by SAMHSA Center for Mental Health Services staff.

The purpose of this program is to improve outcomes for children, from birth up to 12 years of age, by developing, maintaining, or enhancing infant and early childhood mental health promotion, intervention, and treatment services. These services are expected to include:

- Programs for children at significant risk of developing, showing early signs of, or having been diagnosed with a mental illness, including serious emotional disturbance (SED) and/or symptoms that may be indicative of developing SED in children, including children with a history of in-utero exposure to substances such as opioids, stimulants, or other drugs that may impact development; and
- Multigenerational therapy and other services that strengthen positive caregiving relationships.

The **webinar** will be held on **Monday, April 4, 2022 at 3:00pm-4:00pm EST**
