DATE & TIME: Wednesday, April 17, 2024 at 3:00-4:30 PM ET

DURATION: 1.5 hours

DESCRIPTION:

The Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Mental Health Services (CMHS) is accepting applications for the fiscal year (FY) 2024 Promoting the Integration of Primary and Behavioral Health Care: States program. The purpose of this program is to (a) promote full integration and collaboration in clinical practices between physical and behavioral health care; (b) support the improvement of integrated care models for physical and behavioral health care to improve overall wellness and physical health status; and (c) promote the implementation and improvement of bidirectional integrated care services, including evidence-based or evidence-informed screening, assessment, diagnosis, prevention, treatment, and recovery services for mental and substance use disorders, and co-occurring physical health conditions and chronic diseases through integrated care. State recipients are expected to partner with qualified community programs, health centers, rural health clinics, or Federally Qualified Health Centers to develop and implement an integration program plan. With this program, SAMHSA aims to improve the health outcomes for persons with behavioral health conditions by supporting the adoption and improvement of integrated care models for behavioral and primary physical health.
