Announcement of Pre-Application Webinar and Conference Call
For Notice of Funding Opportunity (NOFO) No. TI-24-009
FY24 Tribal Opioid Response Grants
(Short Title: TOR)

The Substance Abuse and Mental Health Services Administration (SAMHSA) is announcing a webinar and conference call for prospective applicants interested in applying for fiscal year 2024 Tribal Opioid Response Grants (Short Title: TOR), TI-24-009. The webinar and conference call will be led by SAMHSA Office of Tribal Affairs and Policy staff.

The purpose of the TOR program is to assist in addressing the overdose crisis in Tribal communities by increasing access to FDA-approved medications for the treatment of opioid use disorder (MOUD), and supporting the continuum of prevention, harm reduction, treatment, and recovery support services for opioid use disorder (OUD) and co-occurring substance use disorders, and stimulant misuse and use disorders, including those involving cocaine and methamphetamine. This program also supports the National Tribal Behavioral Health Agenda’s (TBHA) Cultural Wisdom Declaration (CWD) and inclusion of ancestral cultural knowledge, wisdom, ceremony, and practices of American Indian and Alaska Native tribes into the award application.

The webinar will be held on Thursday, May 16th, from 4 to 5:30PM EST.
