

## Native Connections Pre-application Webinar Recording

1. Click on the link below, or if your email program does not allow linking, copy and paste the link into the address field of your Internet browser:

<https://resnet-garm.webex.com/resnet-garm/lsr.php?RCID=c6389daf5189fcfeeaa864f4118e0574a>

2. Once you have been redirected to the Download page, select the “Download” button.
3. When given the option to “Open” or “Save” the file, select the arrow next to the “Save” button, then select “Save As”.
4. Once the “Save As” window appears, choose the location where you’d like to save the FTP file and select the “Save” button.

\*\* Please download your FTP recording before May 15, 2016. After that time it will be deleted off the server and no recording backup is maintained past this time frame. \*\*
