DESCRIPTION: SAMHSA/CMHS is accepting applications for fiscal year (FY) 2018 Mental Health Awareness Training Grant (Short Title: MHAT). The purpose of this program is to: (1) train individuals (e.g., school personnel, emergency first responders, faith-based leaders, veterans) to recognize the signs and symptoms of mental disorders, particularly serious mental illness (SMI) and/or serious emotional disturbance (SED); (2) establish linkages with school-and/or community-based mental health agencies to refer individuals with the signs or symptoms of mental illness to appropriate services; (3) train emergency services personnel, veterans, law enforcement, fire department personnel, and others to identify persons with a mental disorder and employ crisis de-escalation techniques; and (4) educate individuals about resources that are available in the community for individuals with a mental disorder.
