HHS/ACF	Transitional Living for Homeless Youth 93.550	<p>The overall purpose of the Transitional Living Program (TLP) for Homeless Youth and the Maternity Group Homes (MGH) is to establish and operate transitional living projects for homeless youth, including pregnant and parenting youth. This program is structured to help older homeless youth achieve self- sufficiency and avoid long-term dependency on social services. Transitional living projects provide shelter, skills training, and support services to homeless youth, including pregnant and parenting youth, ages 16 to less than 22. This extends the residential stay for homeless youth to 635 days or 21 months. MGHs provide the same services as the TLP in addition to providing parenting instructions and child care. Other services that are offered include, but are not limited to, transportation, family planning, and pregnancy prevention services.</p> <p>Transitional Living Programs are required to provide youth with stable, safe living accommodations and services that help them develop the skills necessary to move to independence. Living accommodations may be host family homes, group homes, Maternity Group Homes, or "supervised apartments." (Supervised apartments are either agency- owned apartment buildings or "scattered site" apartments, which are single - occupancy apartments rented directly by young people with support from the agency.) Eligible applicants include States, localities, private entities, and coordinated networks of such entities unless they are part of the law enforcement structure or the juvenile justice system. Federally recognized Indian organizations are also eligible to apply for grants as private, nonprofit agencies. Indian Tribes that are not federally recognized and urban Indian organizations are also eligible to apply for grants as private, nonprofit agencies. Faith-based organizations and small community-based organizations are eligible to apply for Transitional Living Program grants.</p> <p>https://www.cfda.gov/?s=program&mode=form&tab=step1&id=159eea78ddf7378fb9afd0d9b6422d55</p>	Youth	<p>Curtis Porter 202-205-8306 curtis.porter@acf.hhs.gov</p>

HHS/ SAMHSA	Substance Abuse and Mental Health Services Projects of Regional and National Significance 93.243	<p>Substance Abuse and Mental Health Service Administration (SAMHSA) was reauthorized by the Children's Health Action of 2000, Public law 106-310. Under this reauthorization, SAMHSA was given the authority to address priority substance abuse treatment, prevention and mental health needs of regional and national significance through assistance (grants and cooperative agreements) to States, political subdivisions of States, Indian tribes and tribal organizations, and other public or nonprofit private entities.</p> <p>Under these sections, CSAT, CMHS and CSAP seek to expand the availability of effective substance abuse treatment and recovery services available to Americans to improve the lives of those affected by alcohol and drug additions, and to reduce the impact of alcohol and drug abuse on individuals, families, communities and societies and to address priority mental health needs of regional and national significance and assist children in dealing with violence and traumatic events through by funding grant and cooperative agreement projects. Grants and cooperative agreements may be for (1) knowledge and development</p> <p>and application projects for treatment and rehabilitation and the conduct or support of evaluations of such projects; (2) training and technical assistance; (3) targeted capacity response programs (4) systems change grants including statewide family network grants and client-oriented and consumer run self-help activities and (5) programs to foster health and development of children; (6) coordination and integration of primary care services into publicly-funded community mental health centers and other community-based behavioral health settings funded under Affordable Care Act (ACA).</p> <p>https://www.cfda.gov/index?s=program&mode=form&tab=step1&id=1b3ee49beafda9a662932e13db21fbd3</p>	All ages	<p>Roger George 240-246-1418 roger.george@samhsa.hhs.gov</p>
HHS/ACF	Affordable Care Act (ACA) Abstinence Education Program Abstinence Education Program 93.235	<p>To enable States to provide abstinence education, and at the option of the State, where appropriate, mentoring, counseling, and adult supervision to promote abstinence from sexual activity, with a focus on those groups which are most likely to bear children out-of- wedlock. The Affordable Health Care Act (ACA) appropriated funding for this program through FY 2014.</p> <p>https://www.cfda.gov/index?s=program&mode=form&tab=step1&id=cabebfea8687371a72c8535f0373ec66</p>	Teens and Adults	<p>Marc D. Clark 202-205-8496 Marc.clark@acf.hhs.gov</p>
HHS/ SAMHSA	Substance Abuse and Mental Health Services- Access to Recovery 93.275	<p>To implement voucher programs for substance abuse clinical treatment and recovery support services pursuant to sections 501 (d)(5) and 509 of Public Health Service Act (42 U.S.C. sections 290aa(d)(5) and 290bb-2). This program, called Access to Recovery (ATR), is to provide client choice among substance abuse clinical treatment and recovery support service providers, expand access to a comprehensive array of clinical treatment and recovery support options (including faith-based programmatic options), and increase substance abuse treatment capacity. Monitoring outcomes, tracking costs, and preventing waste, fraud and abuse to ensure accountability and effectiveness in the use of Federal funds are also important elements of the ATR program.</p> <p>https://www.cfda.gov/index?s=program&mode=form&tab=step1&id=3cb1bb42ec5b65ece924a095e3d831e5</p>		<p>Roger George 240-246-1418 roger.george@samhsa.hhs.gov</p>
