

Errata Sheet to Metrics and Quality Measures for Behavioral Health Clinics Technical Specifications and Resource Manual

This page includes clarifications and corrections to the Metrics and Quality Measures for Behavioral Health Clinics Technical Specifications and Resource Manual.

Volume 1

I-EVAL, p. 32, section D, Exclusions: For “None”, substitute “Exclude from the Metric #2 denominator all eligible new consumers who never received an initial evaluation. Indicate in Additional Notes in the data reporting template the number so excluded.”

I-EVAL, p. 33, section F, paragraph 2, sent. 3: For “non-consumers”, substitute “new consumers”

TX-EVAL, p. 36, section D, Exclusions: For “None”, substitute “Exclude from the denominator all eligible new consumers who never received a treatment planning evaluation. Indicate in Additional Notes in the data reporting template the number so excluded.”

WCC-BH, p. 51, section A, Measurement Period: Exclude the last sentence related to hypertension.

SRA-A, p. 82, section A, first paragraph: For “Percentage of consumers age 18 years and older ...”, substitute “Percentage of consumer visits for those aged 18 years and older ...”

SRA-A, p. 89, section E, Denominator: For “The number of consumers in the eligible population (Section C)”, substitute “The number of consumer visits by those in the eligible population (Section C)”.

PCR-BH, p. 129, section E, last sentence: For “Better quality = Higher score”, substitute “Better quality = Lower score”

SSD, p. 131, section C, under Allowable Gap, second sentence: For “To determine continuous enrollment consumer for whom enrollment is verified monthly, the consumer may not have more than a 1-month gap in coverage (i.e., a consumer whose coverage lapses for 2 months [60 days] is not considered continuously enrolled).”, substitute ““To determine continuous enrollment for a consumer for whom enrollment is verified monthly, the consumer may not have more than a 1-month gap in coverage (i.e., a consumer whose coverage lapses for 2 months [60 days] is not considered continuously enrolled).”

Volume 2

SRA-A.B, p. 62, first paragraph: For “Percentage of consumers age 18 years and older ...”, substitute “Percentage of consumer visits for those aged 18 years and older ...”
