SMI Adviser Resources

Resources on COVID-19 and Serious Mental Illness

SMI Adviser compiled a list of resources for clinicians who serve individuals with serious mental illness (SMI). During this crisis, refer to the evidence-based resources below for specific guidance around COVID-19. If you have specific questions on recent changes in telepsychiatry, prescribing clozapine, or any other topic, you may request a consultation from one of our national experts.

SMI Adviser Coronavirus Resources: https://smiadviser.org/covid

- Resources on COVID-19 and Serious Mental Illness
- Education Activities about COVID-19
- COVID-19 Resources

Recorded Webinars:

- Managing the Mental Health Effects of COVID-19

- Telepsychiatry in the Era of COVID-19

- Serious Mental Illness and COVID-19: Tailoring ACT Teams, Group Homes, and Supportive Housing

National Center of Excellence for Eating Disorders (NCEED)

NCEED has gathered information to help support the community as the COVID-19 crises evolve. Resources were created to provide guidance on how to support yourself, your loved ones and your patients: [https://www.nceedus.org/covid/](https://www.nceedus.org/covid/)

Center of Excellence for Protected Health Information – Focus-PHI

While the CoE-PHI develops tools and resources to increase healthcare organization and provider awareness about OCR and SAMHSA COVID-19 Guidance and Resources (and what they can do to protect patient privacy while providing SUD and MH telehealth services), we suggest reviewing SAMHSA’s COVID-19 Guidance and Resources as well as the HHS Office of Civil Rights’ Notification of Enforcement Discretion for Telehealth Remote Communications During the COVID-19 Nationwide Public Health Emergency.

Tips to keep your telehealth visit private - https://coephi.org/sites/default/files/tips-individuals.pdf

SAMHSA 42 CFR Part 2 Revised Rule - On July 15, 2020, SAMHSA finalized changes to the Confidentiality of Substance Use Disorder Patient Records regulations, 42 CFR Part 2 (“Part 2”). Part 2 protects the confidentiality of individuals in substance use disorder treatment, and establishes privacy and security requirements for written, electronic, and verbal information. The effective date of the changes to Part 2 will be August 14, 2020. Read the SAMHSA 42 CFR Part 2 Fact Sheet for further details regarding the changes.

Recorded Webinars at http://coephi.org/

- Understanding the new changes on 42 CFR Part 2
- Understanding New SAMHSA/OCR Guidance for Telehealth SUD and MH Services;
- Maintaining Patients Confidentiality When Providing Medication for Opioid Use Disorder in Community Health Centers.
