On November 23, 2021, the Office of Management and Budget (OMB) temporarily approved the previous version (2017) of the Federal Drug Testing Custody and Control Form (CCF).

What does this mean for DOT drug testing?

- You may continue to use the ‘revised/new’ CCF when collecting urine specimens for DOT tests.
- You may also use the ‘previous version (2017 CCF)’ of the CCF.
- For specimens collected as of November 23, 2021, when using the ‘previous version of the CCF (2017 CCF)’ you will not need to complete a memorandum for the record.
